

Govinda

The command is not mine*
it **is**
 Mother's.

Gunavati

If you have no doubt in
 your
 decision, do not cross my
 faith. Let
 me perform my worship
 according to
 my light.

Govinda

I promised my Goddess to
 prevent
 sacrifice of life in her temple,
 and I
 must carry it out.

Gunavati

I also promised my
 Goddess the
 blood of three hundred kids
 and one
 hundred buffaloes, and I will
 carry
 it out, You may leave me
 now.

Govinda

As you wish. *[He goes*
 out.
